GOLF PACKAGES

(Birdie, Eagle and Albatross)

We are teeing up for the perfect summer of golf and honoured to be partnering with three of Fife's renowned links courses, Lundin, Dumbarrie and Elie.

THE SHIP INN, ELIE

Drifting above the breath-taking views of East Neuk in the beautiful village of Elie, The Ship Inn is the definition of coastal chic.

Its intimate six bedrooms, four with beach views, are decorated in subtle notes of seaside calm, and white plantation shutters. The award-winning restaurant offers local seasonal fare with a nod to the waters outside.

A cosy bar, spacious outdoor terrace, beach bar and BBQ, offer plenty of choice during the long summer evenings. If you're lucky you may also catch a game of Beach Cricket just outside!

THE CRUSOE, LOWER LARGO

Perched on the edge of Lower Largo beach, with spectacular views, the Crusoe has six beautiful beach-front bedrooms and an elegant one-bedroom suite with private balcony overlooking the water. The dining room is a culinary celebration of the relationship between table, land and water - with a perfectly curated menu of locally sourced meats and seafood. Adjacent to the restaurant is the buzzing bar area, where artistically crafted cocktails can be enjoyed amid flowing conversation..

A coastal escape that you won't want to leave, with your comfort and well-being in mind.

LUNDIN LINKS

Lundin offers some of the finest examples of links holes in Scotland. This remains largely as it was when Tom Morris designed the course in 1868. The first nine holes are in classic links tradition proceeding from the Clubhouse to the Mile Dyke. Players then cross the once extinct railway line and play the nine newer (1908) James Braid designed holes.

DUMBARNIE LINKS

Dumbarrie Links, opened in 2020, is already a must play for many golfers.

Blessed with a spectacular setting around the golden sands of Largo Bay on Fife's historic southern coastline, Dumbarrie offers only breath-taking views across the Firth of Forth, but a modern challenge that every true lover of the purest form of our ancient game cannot afford to miss.

THE GOLF HOUSE CLUB, ELIE

Elie links tucked away in the beautiful East Neuk of Fife (Neuk is the Scots word for corner) is another of Fife's finest links courses. The game has been played across the historic Elie links since the 15th Century and it is little wonder that the course has established itself as such a firm favourite for visitors over the years.
